Sporting Premium Funding for 2022/23

Funding for school is calculated by the number of primary aged pupils (aged 5-11) at the annual census. Schools with 17 or more eligible pupils receive £16,000 and an additional payment of £10 per pupil.

At Stanley Crook Primary School, we will receive **£17160** for the academic year 2022/2023.

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer.

This means that you should use the premium funding to:

- Develop or add to the PE and sport activities that your school already offers
- Make improvements now that will benefit pupils joining the school in future years
