PTA (Friends of the School)

We are looking for volunteers to set up a Parent Teacher Association to help raise valuable funds for our school. Through fundraising activities, a PTA can make a positive impact on the school community by providing additional resources, enhancing pupil experiences, and giving parents a direct voice in decision-making. If you are interested please contact the School Office via in-app message, telephone call or call in to see us. The more, the merrier!

Uniform Policy

Please ensure your child/ren come to school in the correct uniform.

The PE Kit consists of:-

Black/ navy blue jogging bottoms/shorts
 White T-shirt
 Black/ navy blue sweatshirt/jacket
 Trainers/pumps

GOOD ATTENDANCE— Team Cherry had the best attendance in January
Their attendance was 98% - Well done! Which Team will be February champions??

Safer Internet Day.....

Tuesday 11th February is Safer Internet Day and our children will be discussing all aspects of keeping safe online. Why not ask your child what he/she has learnt? Whilst we all try to keep our children safe online, things change so quickly and there always seems to be a new hazard out there. You might find some of these sites for parents useful in keeping your own knowledge up-to-date:

<http://www.net-aware.org.uk/>

<https://www.internetmatters.org/>

<https://www.saferinternet.org.uk/advice-centre/parents-and-carers>

We are advised that online 'chatting' whilst gaming and inappropriate content on social media sites (which should only be accessed by over 13s anyway) cause the majority of issues, but things change constantly. It is important to keep checking in with your children.

Dental Hygiene Awareness

Children in Team Donaldson had a visit from a Dental Hygienist. They learnt how to look after their teeth and were each given a new toothbrush to take home.

Poppy Appeal

In November we supported the Royal British Legion's Poppy Appeal with the sale of merchandise, slapbands, poppies, bracelets. We raised an amazing £199.18 - thank you to all those children, parents/ carers for their support.

Mini Police

Our Year 5 pupils participated in the Mini Police Programme. During the sessions the children learnt all about antisocial behaviour.— what is antisocial behaviour, what impact it has on others and what to do if you experience it.

Knife Crime Assembly

Year 5/6 learnt about the effects of knife crime— they re-enacted a scenario to bring it to life!
