

PE and School Sport Annual Plan 2024/2025

SCHOOL
MEMBER

Our School Vision

At Stanley Crook Primary we aim to be a school where:

Achievement of Pupils

- Engage and enthuse pupils of all ages in PE, sport and physical activity.
- Increase pupil confidence and competence in all areas of PE for children of all ages and ability to ensure they achieve the best they can at their own pace and level.
- Improve pupils' understanding of how to lead active, healthy lifestyles and encourage and promote this through our curriculum, PE and after school clubs.
- Understand the contribution of PE to teaching in other curriculum areas
- Ensure all children have the opportunity to participate in competition.

Quality of Teaching

- Recognise the development of staff expertise and confidence to be key to delivering high quality PE.
- Ensure appropriate CPD opportunities are given to all, developing partnerships with outside agencies including; Lower Dales Cluster, Specialist coaching from local clubs and County Durham Sport.

Behaviour and Safety of Pupils

- Ensure pupils understand how to keep themselves safe during sport and exercise.
- Promote SMSC through sport and PE, encouraging children to understand the importance of working as part of a TEAM, developing resilience, self-belief and determination to achieve their own personal best while supporting others to do the same.

Leadership and Management

- Ensure robust teaching of PE and sport both during curriculum and non-curriculum time
- Develop systems for monitoring of external deliverers e.g. coaches
- Develop a more diverse curriculum and After School programme
- Raise the profile of PE internally through cross curricular links and parental involvement

Sporting Premium Funding for 2024/25

Funding for school is calculated by the number of primary aged pupils (aged 5-11) at the annual spring census (January). Schools with 17 or more eligible pupils receive £16,000 and an additional payment of £10 per pupil.

At Stanley Crook Primary School, we will receive **£17170** for the academic year 2024/25.

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer.

This means that you should use the premium funding to:

- Develop or add to the PE and sport activities that your school already offers
- Make improvements now that will benefit pupils joining the school in future years

Evidencing the Impact of the School Sport Premium

It is expected that schools will see an improvement against the following 5 key indicators:

1. increased confidence, knowledge and skills of all staff in teaching PE and sport
2. The engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
3. The profile of PE and sport being raised across the school as a tool for whole school improvement
4. Broader experience of a range of sports and activities offered to all pupils
5. Increased participation in competitive sport

1,3,4	Ensure that planning for teaching is done in a planned and sequenced manner	<ul style="list-style-type: none"> -Subject leaders work with teachers to identify key concepts to be taught and how are they developed over time, what skills need to be learned, what cross curricular links can be made -Utilise PE planning alongside 'Core Task Assessment to ensure planning is progressive and relevant to the ability of each class. 	<p>PE planning subscription £199</p> <p>Play makes sense planning cards budgeted £100</p>	<p>£238.80 PE planning £95 Play makes sense</p> <p>This target was achieved through a whole-school restructure of the curriculum map, providing clear progression across year groups. A PE planning scheme of work was purchased to ensure PE lessons are high-quality, progressive, and sequential. CPD was provided to support staff confidence and subject knowledge, while the subject leader monitored medium-term planning and half-termly assessments to ensure consistency, progression, and effective implementation across all subject areas.</p>

2,3,4,5	<p>Purchase of outside providers to support PE themed days/ experience days</p>	<p>-The aim of these days is to provide children with a broader experience of sporting activities and promote active lifestyles.</p> <p>-Days planned for 1 every term</p> <p>-Prizes, equipment and resources purchased</p>	Budgeted £2000	<p>£3365 + martial arts? –</p> <p>After School Club providers to allow the opportunity for pupils to experience a wider range of sports and establish club links</p> <p>35% KS1 Attended after school clubs 46% LKS2 Attended after school clubs 36% UKS2 Attended after school clubs</p>
1,2,3,5	<p>Promote Active travel to school and promote Cycling Confidence and cycling fun days to promote the importance of health, active lifestyles</p> <p>As the location of the school is in a rural location surrounded by major A roads and away from many pupil's residence, it is important that children are aware of the health benefits as well as the safety aspects of walking or using their bikes and scooters.</p>	<p>-Maintain or improve the number of children participating in active travel to school.</p> <p>-Funding used to promote 'fun days' and 'extra opportunities for active travel'.</p> <p>-Action- to continue promotion Big Walk and Wheel.</p> <p>-Be Bright, Be seen initiative to ensure safety during winter</p> <p>-'Bling your Bike Initiative'</p> <p>-Introduction of Balance ability within EYFS to support within development of fundamental movement skills and gross motor skills</p>	<p>Budgeted costs £500</p> <p>Balance ability training £500 (EYFS staff)</p>	<p>Prizes £50 Balance ability training £500</p> <p>The target to promote active travel, cycling confidence, and healthy lifestyles has been effectively met through a range of engaging whole-school initiatives. The Big Walk and Wheel event saw 68% of pupils actively travelling to school, reinforcing the value of daily movement. A Bike and Scooter Fun Day provided opportunities for intra-school competition and skill development, while 'Bling Your Bike' competitions raised awareness of the 'Be Bright, Be Seen' initiative, promoting safety during darker winter months. Additionally, staff received CPD on the introduction of Balanceability in EYFS, supporting the early development of gross motor and fundamental movement skills. These initiatives collectively foster a culture of active, healthy living across the school community.</p>

2,3,4	<p>To continue to develop values such as resilience and perseverance through an ethos of 'everyone can do' and by celebrating mistakes and using them as a learning point so that all children – but particularly, those most vulnerable (PPG/ SEND/ Children with a social worker) – achieve well across the curriculum.</p>	<p>-Utilise Pupil Voice time to include PESSPA.</p> <p>-Playground/Sports Leaders to support with the delivery of Pupil Voice within PESSPA</p>	<p>Resources to support playground leaders</p> <p>Budgeted costs £300</p>	<p>Equipment for Playleaders £369.43</p> <p>Playground leader training £260</p> <p>This has been achieved through meaningful Pupil Voice opportunities, where children discussed PESSPA during dedicated sessions, ensuring their voices shaped provision. The School Council also prioritised PESSPA, identifying improvements and expressing what they wanted to see in physical activity across the school. Playground leaders received specialist training from Education Enterprise, equipping them with the confidence and leadership skills to provide peer-to-peer support during active breaktimes. This inclusive approach has empowered pupils, celebrated effort over outcome, and embedded a culture where mistakes are viewed as valuable learning opportunities—enabling all children to thrive across the curriculum.</p>
