

PE and School Sport Annual Plan 2025/2026

Our School Vision

At Stanley Crook Primary we aim to be a school where:

Achievement of Pupils

- Engage and enthuse pupils of all ages in PE, sport and physical activity.
- Increase pupil confidence and competence in all areas of PE for children of all ages and ability to ensure they achieve the best they can at their own pace and level.
- Improve pupils' understanding of how to lead active, healthy lifestyles and encourage and promote this through our curriculum, PE and after school clubs.
- Understand the contribution of PE to teaching in other curriculum areas
- Ensure all children have the opportunity to participate in competition.

Quality of Teaching

- Recognise the development of staff expertise and confidence to be key to delivering high quality PE.
- Ensure appropriate CPD opportunities are given to all, developing partnerships with outside agencies including; Lower Dales Cluster, Specialist coaching from local clubs and County Durham Sport.

Behaviour and Safety of Pupils

- Ensure pupils understand how to keep themselves safe during sport and exercise.
- Promote SMSC through sport and PE, encouraging children to understand the importance of working as part of a TEAM, developing resilience, self-belief and determination to achieve their own personal best while supporting others to do the same.

Leadership and Management

- Ensure robust teaching of PE and sport both during curriculum and non-curriculum time
- Develop systems for monitoring of external deliverers e.g. coaches
- Develop a more diverse curriculum and After School programme
- Raise the profile of PE internally through cross curricular links and parental involvement

Sporting Premium Funding for 2025/26

Funding for school is calculated by the number of primary aged pupils (aged 5-11) at the annual spring census (January). Schools with 17 or more eligible pupils receive £16,000 and an additional payment of £10 per pupil.

At Stanley Crook Primary School, we will receive **£17,120** for the academic year 2025/26 plus £3243 carry over.

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer.

This means that you should use the premium funding to:

- Develop or add to the PE and sport activities that your school already offers
- Make improvements now that will benefit pupils joining the school in future years

Evidencing the Impact of the School Sport Premium

It is expected that schools will see an improvement against the following 5 key indicators:

1. increased confidence, knowledge and skills of all staff in teaching PE and sport
2. The engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
3. The profile of PE and sport being raised across the school as a tool for whole school improvement
4. Broader experience of a range of sports and activities offered to all pupils
5. Increased participation in competitive sport
