	1 child could not swim 25m. This child achieved 10m prior March 2020. We are confident that had Covid not cancelled lessons that the three remaining children would have achieved this by the end of the year as extra lessons were scheduled and paid for through PE Premium Budget.	* This was planned for Summer Term as we were originally based at a pool without a deep end which made it difficult to assess this objective. Covid 19 cancelled from March 2019 onwards.
