Consent form for use of children's images

Name of child:

Name of the child's parent or guardian:

At Stanley Crook Primary School we take photographs regularly of the children. We may use these images in our school's prospectus or in other printed publications that we produce, as well as on our website or on project display boards at our school. We may also make video or webcam recordings for school-to-school conferences, monitoring or other educational use. From time to time, our school may be visited by the media who will take photographs or film footage of a visiting dignitary or other high profile event. Pupils will often appear in these images, which may appear in local or national newspapers, or on televised news programmes.

To comply with the Data Protection Act 1998, we need your permission before we can photograph or make any recordings of your child for promotional purposes.

Please return the completed form to the school as soon as possible.
