

Swimming Performance Data 2019-2020

Year 6 cohort- 19 children

Percentage of year 6 children who can confidently swim 25m unaided.	Percentage of year 6 children who can perform a range of recognised strokes.	Percentage of year 6 children who can perform a safe, self-rescue.
94%	83%	0%*
1 child could not swim 25m. This child achieved 10m prior March 2020. We are confident that had Covid not cancelled lessons that the one remaining child would have achieved this by the end of the year as extra lessons were scheduled and paid for through PE Premium Budget.	We are confident that had Covid not cancelled lessons that the three remaining children would have achieved this by the end of the year as extra lessons were scheduled and paid for through PE Premium Budget.	* This was planned for Summer Term as we were originally based at a pool without a deep end which made it difficult to assess this objective. Covid 19 cancelled from March 2019 onwards.

Year 5 cohort- 18 children

Percentage of year 5 children who can confidently swim 25m unaided.	Percentage of year 5 children who can perform a range of recognised strokes.	Percentage of year 5 children who can perform a safe, self-rescue.
77%	27%	11%

Year 4 cohort- 15 children

Percentage of year 4 children who can confidently swim 25m unaided.	Percentage of year 4 children who can perform a range of recognised strokes.	Percentage of year 4 children who can perform a safe, self-rescue.
13%	0%	13%
