

# PE and School Sport Annual Plan 2020/21

# Our School Vision

## At Stanley Crook Primary we aim to be a school where:

### Achievement of Pupils

- Engage and enthuse pupils of all ages in PE, sport and physical activity.
- Increase pupil confidence and competence in all areas of PE for children of all ages and ability to ensure they achieve the best they can at their own pace and level.
- Improve pupils' understanding of how to lead active, healthy lifestyles and encourage and promote this through our curriculum, PE and after school clubs.
- Understand the contribution of PE to teaching in other curriculum areas
- Ensure all children have the opportunity to participate in competition.

### Quality of Teaching

- Recognise the development of staff expertise and confidence to be key to delivering high quality PE.
- Ensure appropriate CPD opportunities are given to all, developing partnerships with outside agencies including; Lower Dales Cluster, Specialist coaching from local clubs and County Durham Sport.

### Behaviour and Safety of Pupils

- Ensure pupils understand how to keep themselves safe during sport and exercise.
- Promote SMSC through sport and PE, encouraging children to understand the importance of working as part of a TEAM, developing resilience, self-belief and determination to achieve their own personal best while supporting others to do the same.

### Leadership and Management

- Ensure robust teaching of PE and sport both during curriculum and non-curriculum time
- Develop systems for monitoring of external deliverers e.g. coaches
- Develop a more diverse curriculum and After School programme
- Raise the profile of PE internally through cross curricular links and parental involvement

## Key Aspirations for 2020/21

To ensure PESSPA can continue effectively and safely after Covid-19 school lockdown.

To ensure, as part of our whole school recovery curriculum strategy, that PESSPA is brought to the forefront of childrens lives to promote positive physical and mental health and wellbeing.

The key aspiration for EYFS and KS1 is to focus on their basic physical development and to intervene where these skills need additional development.

The key aspiration for KS2 is to upskill our children to be able to compete confidently in level 3 competitions.

## Sporting Premium Funding for 2020/21

Funding for school is calculated by the number of primary aged pupils (aged 5-11) at the annual census. Schools with 17 or more eligible pupils receive £16,000 and an additional payment of £10 per pupil.

At Stanley Crook Primary School, we will receive **£17380** for the academic year 2020/21. Total planned expenditure = £20995 (including carry over from academic year 2019/20 re Covid 19)

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer.

This means that you should use the premium funding to:

- Develop or add to the PE and sport activities that your school already offers
- Make improvements now that will benefit pupils joining the school in future years

## Evidencing the Impact of the School Sport Premium

The following guidelines outline what Ofsted Inspectors will be looking for upon their visits. For every 'Action' that the school offer children, must ensure that they can evidence it against the criteria below.

**It is expected that schools will see an improvement against the following 5 key indicators:**

1. the engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
2. the profile of PE and sport being raised across the school as a tool for whole school improvement
3. increased confidence, knowledge and skills of all staff in teaching PE and sport
4. broader experience of a range of sports and activities offered to all pupils
5. increased participation in competitive sport
